

Reflections Salon & Day Spa

Classic Facial \$12.00

Our luxurious facials nurture skin, feel wonderful and make you look terrific. Cleanse steam, massage, mask, tone and moisturize your skin.

Facial Scrubber \$ 15.00

Involves the removal of the oldest dead skin cells on the skin's outermost surface. Leaves your face smoother and refreshed.

Hot Stone Therapy \$5.00

Melts away tension, eases muscle stiffness and increases circulation and metabolism.

LED Treatment \$20.00

A painless skin-care treatment that plumps up aging skin by boosting collagen production, and treats mild to moderate acne by killing the bacteria responsible for breakouts.

Micro-Current \$20.00

A therapeutic treatment that delivers safe, painless, low-level electrical impulses to strategic locations under the skin to firm and tone the facial muscles.

Diamond Microdermabrasion \$20.00

Effectively cleanses skin, promotes circulation of blood, reduce appearance of thick pores and scars.

Microdermabrasion \$30.00

Uses Organic Grains or Aluminum Oxide Crystals to remove dead skin cells, stimulate the innermost layers of the skin; smooth, polish, and texturize skin for a renewed, revived, and refreshed look with every treatment.

Oxygen Treatment \$20.00

Creating oxygen enriched environment for boosting cell metabolism with Oxygen Infusion Treatments. Treats acne, aging, sensitive skin, and lightens skin.

Ultrasound Treatment \$20.00

High level sound wave used to penetrate deep below surface of the skin promoting cellular renewal and repair, toning muscles, and increased blood circulation.

Spot Remover \$20.00

Sun spots, which include age spots, liver spots, freckles, and other benign pigmented lesions resulting from sun-damage. Most commonly we treat sun spots on the face, arms, and hands.
