

BASIC SHIELDED METAL ARC WELDER

lcca.hallco.org/dual-enrollment

DUAL ENROLLMENT

Questions? Contact Kim Browning, College & Career Coordinator, at kimberly.browning@hallco.org

Average Salary - \$70,535

The Basic Shielded Metal Arc Welder Certificate prepares students for careers in the welding and joining industry with an emphasis on arc welding in the flat position. This certificate is a pre-requisite to the advanced certificate.

- **High Demand Area**
- Job prospects are good for welders trained in the latest technologies. Welding schools report that graduates have little difficulty finding work, and many welding employers report difficulty finding properly skilled welders.

Program Specific Core - 12 hours

- WELD 1000 Intro to Welding Technology (4)
- WELD 1010 Oxyfuel Cutting (4)
- WELD 1040 Flat Shielded Metal Arc Weld (4)
