Message from the Executive Director

Welcome to the 2020-21 school year; we are excited to reconnect and welcome students back. We are looking forward to our students thriving this year.

LCCA centers on the philosophy of equipping our students to become "Career Ready." We are excited to announce several new Dual Enrollment certificates this year: Industrial Electrician, Criminal Justice, Early Childhood, and Nutrition. These are in addition to our Welding, Esthetics, and Prep Cook certificates already offered.

Our team has been working hard to prepare for students' return. Please let us know if we can be of assistance.

Message from the Principal

Greetings LCCA students and family,

I am Mitch Murphy, the Associate Principal at LCCA, and on behalf of the faculty and staff we welcome you back to LCCA for the 2020-21 school year! We have been working feverishly during the last several weeks to make sure we are ready to provide the safest, cleanest, and most welcoming school possible. We have had to make modifications for the world we live in. We will be checking temperatures, wearing masks, social distancing, eating meals in our rooms, and other changes. All this has been done so that we are able to bring you back to school because whether you have missed us or not, we have missed you terribly. The students at LCCA are what makes this school special and are the reason the staff is looking forward to August 24. Whatever your goals are for this school year, the staff here has a goal to work with you to help prepare you for a job, graduate high school, and become Career Ready!

Meal Info

A choice of two breakfast options will be provided daily for students. Students will arrive to school and will eat in teachers' classrooms.

Lunch will consist of only one option to students and it will be delivered to the classrooms.

The meals will continue to be a healthy and nutritious option for our students.

Fellowship of Christian Students

FCS meets on Fridays. See Mrs. Goss or Ms. Ives for details.

RECONNECT Hall

Hall County School District has created a resource for the community that explains the most current information in educating our students during the pandemic. Please click on this link to find everything you need.

LCCA's CTSOs:

DECA, FCCLA, FFA & SkillsUSA

Our LCCA's CTSOs are gearing up for the school year. Our CTSOs, which stand for Career Technical Student Organization, will begin practicing for the upcoming school year very soon. Our CTSOs include: DECA, FCCLA, FFA, SkillsUSA.

Becoming a member is easy! See one of your instructors for details. Even VIRTUAL students can join! Email your teacher for more details. Joining and becoming a member is a great way to meet new people, to develop skills for your chosen profession, and to meet industry professionals from all across the nation and state.

The **National FFA Organization** is a youth leadership organization that makes a positive difference in the lives of young people by developing their potential for premier leadership, personal growth, and career success through agriculture education. See Mr. Elrich in Metals for more details.

SkillsUSA is a career and technical student organization that consists of thousands of students from across the world. Students discover and grow their career passions and appreciate their own self-worth through the work and dedication of instructors, administrators, association directors, industry partners and alumni. See Mr. Presley in HVAC, Mrs. Nix or Ms. Laster in Cosmetology for more details!
