Message from the Principal

LCCA parents,

We all play a role in making this school year as successful as possible for students. For students to succeed, in-person students need to be at school and determined to do their best.

Following the protocols that Hall County Schools have in place to keep students and teachers healthy will go a long way. For example, students and teachers wear masks and stay socially distanced to the greatest extent possible. This will not keep everyone from being exposed to COVID but it follows CDC guidelines and is the best way we know to take care of each other.

There is no substitute for a positive attitude and work ethic. Whether students are attending school in-person, virtually, or as blended learners, they will have greater success if they are determined to complete their assignments and look for ways to improve. We will do our best to inspire those traits in our students and ask you to support your students and let us know when you see something we can do better.

At LCCA, we know it will take us working together to keep students successful in school and our community as safe and healthy as possible.

Mitch Murphy

Associate Principal, LCCA

TAKE N BAKE

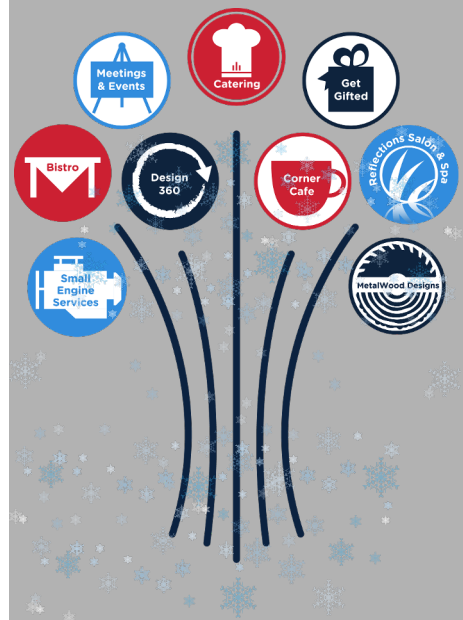

Take N Bake is a premade family meal package from Catering at The Oaks offers. They use fresh ingredients and handle all of the prep work and cooking! Meals are boxed and can be stored in the refrigerator until they're ready to be heated and served. A family of 4 to 6 can order either the Traditional Fare or the Premier Fare offering. There's even a dessert offering! You order 1 week in advance and then pick up on Thursday or Friday at The Oaks building.

Check out our menus and dates here: bit.ly/3iGp907

Fellowship of Christian Students

FCS meets every Friday Morning from 8:40 AM - 9:00 AM

FFA Career Development Events

Kevin Del Angel

Placed 12th in sub area
creed speaking CDE

Samier Jaimes

Placed 8th in sub
area creed speaking
CDE

LCCA FFA members, Kaden Brand, Kevin Del Angel, Alexis Garcia, and Samier Jaimes competed in a Career Development Event (CDE) in the Fall. Career Development Events allow agriculture students the chance to use the knowledge and skills learned in the classroom and compete against students across the area and state.

Alexis Garcia, Samier Jaimes, & Kaden Brand

Placed 16th in area Agriculture Technology & Equipment CDE,
Samier was 18 out of 59 students

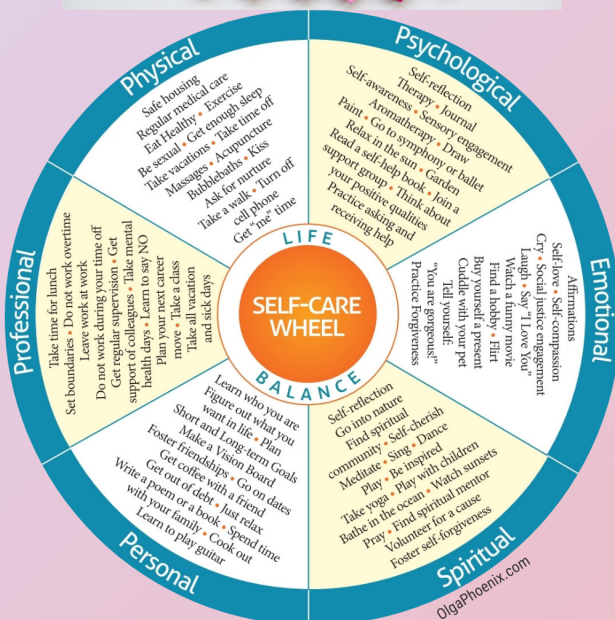

**Congratulations LCCA
FFA students!**

We are proud of you!

Ways to *Love Yourself:*

HAPPY February,
HAPPY Valentine's!

Leukemia Lymphoma Society

For another year, we are supporting a great cause in the Leukemia Lymphoma Society's Pennies for Patients. Last year, we collected money in Real Time.

We will start collections next week in Real Time (M, W, F). We will deliver collections containers on Monday. We will also be sharing out a donation link for our school. Friends and family can donate directly to our school with this link. Please share it on your social media and with your students. Our future collection dates will be: February 22-26 and March 22-26.

A lunch will be provided to the Real Time with the highest donations. Staff members will also receive gift cards for the "best" participation in our school wide events.
