

LANIER COLLEGE & CAREER ACADEMY

Lanier College & Career Academy is a Hall County High School that focuses on creating "Career Ready" students. We have options for full-time and part-time enrollment, as well as several options for Dual Enrollment through Lanier Technical College. Students gain real-world experience through our industry-certified classrooms, CTAE pathways, Dual Enrollment opportunities, and student-based enterprises. LCCA students earn a variety of professional certifications and industry credentials that are sought after within our local business and industry sectors.

FULL TIME STUDENTS

Students may be eligible to attend LCCA full time for additional opportunities beyond part time enrollment. Students enrolled at LCCA full time have the opportunity to participate in Specialized Career-Ready Programs of Choice and earn industry-recognized certifications. Many students benefit from LCCA's smaller environment and class sizes. LCCA also focuses heavily on building student relationships. Faculty and staff focus on addressing students' social emotional needs and building meaningful relationships. Students should contact their counselor to discuss attending LCCA full time.

PART TIME STUDENTS

Students from all HCSD high schools are eligible to attend LCCA as a part time student. Part time students travel to LCCA for their chosen CTAE elective classes and then return to their high schools for their academic classes. Transportation to and from LCCA is provided by Hall County Schools. Students have the opportunity to gain skills necessary for our local job markets and earn industry recognized certifications. Students should list their preferred LCCA classes during registration at their home high school. Counselors can be contacted with any questions.

CTAE Pathways & Programs:

- Ag. Mechanics
- Cosmetology
- Culinary Arts
- Government & Public Administration
- Hospitality & Tourism
- HVAC
- Marketing & Promotions
- Trades in Training
- Work-Based Learning

DUAL ENROLLMENT

LCCA offers students the unique opportunity to earn technical certificates of credit designed to meet the workforce planning needs of Northeast Georgia. These programs are offered in partnership with **Lanier Technical College** on LCCA's campus and are available for HCSD high school students. Students should email Lisa.McDowell@hallco.org or contact their counselor to discuss enrollment requirements.

Certificate Programs:

- Basic Marine Engine Technician (Coming Soon)
- Basic Shielded Metal Arc Welder
- Criminal Justice
- Diesel Electrical/Electronic Systems Technician (Coming Soon)
- Early Childhood Care & Education Basics
- Esthetics
- Gas Metal Arc Welder
- Industrial Electrician
- Salon and Spa Support Specialist

THE OAKS

The Oaks refers both to LCCA's collection of student-based businesses and the building that houses the majority of those businesses. LCCA students gain exposure to the businesses in their CTAE classes. Students can also work in the businesses more comprehensively through Work-Based Learning. Students should contact their WBL coordinator to discuss placement in businesses at The Oaks.

Student-Based Businesses:

- Bistro
- Catering
- Corner Café
- Design 360
- Get Gifted
- Meetings & Events
- MetalWood Designs
- Reflections Spa & Salon
