Message from Administration

Parents,

Thank you for your support in parent conferences and working with LCCA at keeping our students on track! We will get the best results when we work together. As we near the end of our first term on October 4, please encourage your child to turn in all their missing work and reach out to our teachers with any questions. If I can be of assistance, please contact me at Mitch.Murphy@hallco.org.

Mitch Murphy
Principal, LCCA
