## Message from Administration

Parents,

LCCA students had an excellent first semester of 2024-25. We had 157 students in Dual Enrollment classes through Lanier Technical College on the LCCA campus! That is more than double our number from 2023-24. We have opened our new DE classrooms and labs for Welding, Diesel Electrical, Auto Body Collision, Digital Media, and Industrial Electrician.

Please take a few minutes to give us some feedback on how we are serving our students and how we can improve. Follow the link to take the [Georgia School Climate Survey for 2024-25](#).

Principal, LCCA

### News

- LCCA will have 10 students in our full time program who graduate early in December of 2024! We congratulate those students for their commitment.
- The LCCA community has served 45 students through our Angel Tree Project this year! We are thankful for the opportunity to make the holidays a little more cheerful for these students and their families.
- Is your child interested in attending LCCA full time for the 2nd semester of 2024-25? Please contact the counselors at your child's school or one of our LCCA counselors:
