Message from Administration

Parents,

The start to our second semester has gone by quickly! Thank you to all who attended our Parent Program Night in January. We hope to see even more of you at our next parent event on Thursday, February 27 where we will discuss the benefits of working with your child on math & literacy at home. We'll have tons of free giveaways, so be sure to RSVP when the invitation comes your way!

Please take a look at our School Climate Survey! It only takes a few minutes to give us feedback on how we are serving our students and how we can improve. Follow the link to take the [Georgia School Climate Survey for 2024-25](#). We would love to have your input!
