Message from Administration

Parents,

I hope the school year has started successfully for your students. It is time to pay close attention to grades as we will be at our halfway point before you know it! If you are able to check your child's grades in Infinite Campus, please do so and let your child's teacher know if you would like a teacher conference to set up a plan for success. If for some reason you cannot access Infinite Campus, your child can show you their grades at any time. If you would like assistance with your parent access to Infinite Campus, please contact the office at LCCA.

Do you have a connection that could help a student get a job or an internship? Please let LCCA know! This is an important connection we can make for students at LCCA.

Our next parent event is coming up at 6 PM on Thursday, October 23, and is for everyone. There will also be a session with information for seniors who are graduating this year. We would love to see you there!

Mitch Murphy
Principal, LCCA

News

- Your student can exempt final exams! A student must have three or fewer absences and have a class average of 90 or greater to be eligible. This is a fantastic opportunity to reward good work and good attendance!
- LCCA has WIN time during lunch three days a week to provide extra help to students who are struggling or behind in their classes. We can also provide help after school almost any day when scheduled in advance. Contact your child's teacher or LCCA for more information.
- LCCA does not allow cell phones to be visible or used in the classroom unless the phone is being utilized as part of a lesson. We do this to promote lesson engagement and limit distractions. Thank you for your support!
