

LAW, PUBLIC SAFETY, CORRECTIONS, & SECURITY

Coming to LCCA for the 2026-2027 School year

PATHWAY DESCRIPTION

The public safety pathway introduces students to the foundations of Criminal Justice through hands-on training with industry tools and real-world techniques. Students learn criminal law, government structure, public safety roles, and investigation procedures while developing leadership and teamwork skills to prepare for college, police academy, or careers in public safety and law.

COURSES

Year 1:

- Introduction to Law, Public Safety, Corrections, and Security
- Criminal Justice Essentials

Year 2:

- Forensic Science and Criminal Investigations
- Security and Protective Services

CAREER TECH STUDENT ORGANIZATION

Students can join SkillsUSA to participate in realistic public safety-related events, build leadership and teamwork skills, strengthen professional skills, connect with industry mentors, and prepare for careers in criminal justice and public safety.

DUAL ENROLLMENT OPPORTUNITY

LCCA also offers students the unique opportunity to earn technical certificates of credit designed to meet the workforce planning needs of Northeast Georgia. The programs are offered on LCCA campus in partnership with Lanier Technical College.
