March, 2026

Message from Administration

Parents,

We are coming to the end of the third term and closing in on graduation! Thankfully, we are back on track following our weather disruptions. Teachers are available for before school or after school tutoring opportunities as needed. We are also having additional lunchtime “catch up” times, which we call WIN Time. Please encourage your students to take advantage of these opportunities!

Please consider taking 5 minutes to complete our [DOE School Climate Survey for Families](#). The survey will remain open through the month of March. Thank you!

Mitch Murphy

Principal, LCCA

News

- LCCA offers Edgenuity help before and after school on Mondays and Wednesdays! We also offer academic support options for other classes before and after school. Please contact your child’s teacher or LCCA administration if you have any questions.
- Please help us emphasize to your child that work must be turned in on time! Students have a limited amount of time to turn in an assignment after missing school.
- If you are interested in joining our Parent Council, please email Mitch.Murphy. Our next meeting will be at 1 PM on Thursday, March 12. This can be attended in person or by Zoom.
- LCCA does not allow cell phones to be visible or used in the classroom unless the phone is being utilized as part of a lesson.

Parent Homework Help Tips!

- Model good habits. Try to do your own “homework” from your job while your child is working on their homework.
- Communicate with your child’s teachers often. Knowing that everyone is on the same team helps the child understand expectations.
- Make your own flashcards. Sometimes old technology can still be the best!
