April, 2026

## Message from Administration

Parents,

We are in our last term and closing in on graduation on May 19! Graduating seniors will have informational meetings, please encourage them to make sure they attend. Please make sure your child is at school for their final exams.

If you have a child who receives Special Education Services, please take a moment to complete this survey on special education services in Georgia. The links are below in English and Spanish.

Principal, LCCA

## News

- LCCA (and all Hall County Schools) will begin using ParentSquare as our communication tool during the month of April. In early May, our Remind and Infinite Campus messenger features will no longer be used.
- Please make sure your child is at school for final exam dates if at all possible. Final exams are not given early and makeups must be complete by the end of the day on Wednesday, May 20.
- LCCA offers Edgenuity help before and after school on Mondays and Wednesdays! We also offer academic support options for other classes before and after school. Please contact your child's teacher or LCCA administration if you have any questions.
- Please help us emphasize to your child that work must be turned in on time! Students have a limited amount of time to turn in an assignment after missing school.
- LCCA does not allow cell phones to be visible or used in the classroom unless the phone is being utilized as part of a lesson.

## Parent Homework Help Tips!

- Model good habits. Try to do your own "homework" from your job while your child is working on their homework.
- Communicate with your child's teachers often. Knowing that everyone is on the same team helps the child understand expectations.
- Make your own flashcards. Sometimes old technology can still be the best!
