Message from Administration

Parents,

Graduation for LCCA full time students is on May 19th! This year has gone by quickly. Congratulations to all of you for supporting your child on their journey through school, and I hope you are able to have time with your child to celebrate their accomplishment! Graduating seniors will have an informational meeting on Wednesday, May 6th. If you have a senior at your house, please encourage them to attend.

If your child is a full time student at LCCA, please let us know if you would like them to attend summer school during the month of June. If your child is part time, you should contact your child's home school for details.

Thank you!
