Message from Administration

Parents,

We are only one month from starting the 2026-27 school year! The LCCA family is excited that you have made the decision for your child to attend LCCA. We are looking forward to meeting all of our new students and seeing the ones we already know!

If your child is a full-time student at LCCA, your child and a guardian will need to sign the [LCCA Academic Success Agreement](#) that can be found on the LCCA website. This contract is mandatory for full time students, and is designed to improve the academic performance and attendance of students in the full-time program. The administration at LCCA gathered input from our LCCA Student Council, Parent Council, and our school Leadership Team, in designing this agreement.
